[Swathi Chandra Sekar](#) | [LinkedIn](#)

PROFILE SUMMARY

Detail-oriented IT student with hands-on experience in frontend and mobile application development using React, Next.js, and Flutter. Skilled in building responsive, scalable, and user-friendly applications with API integration. Seeking an internship opportunity in a product-driven environment to contribute to real-world projects and enhance technical expertise.

TECHNICAL SKILLS

- **Programming:** Java, Python, C, C++
- **Core CS:** Data Structures & Algorithms, OOP, DBMS, Operating Systems (Basics), Computer Networks(Basics)
- **Web & Mobile:** React, Flutter (Dart), HTML, CSS, JavaScript, Angular (Basic)
- **Tools:** Git, VS Code
- **Database:** MySql, MongoDB

PROJECTS

- **Portfolio Website (React)**-Built a responsive personal portfolio using React components and clean UI design to showcase skills and projects
- **DripTheory** – E-commerce Web Application (Next.js)-Developed a responsive e-commerce web application using Next.js with modern UI design and REST API integration. Implemented product listing, navigation, and optimized performance for smooth user experience.
- **Civic Engagement App** (Flutter + FastAPI)-Built a cross-platform mobile application for reporting and tracking civic issues. Integrated backend APIs using FastAPI and implemented authentication and dynamic data handling.
- **Mindmap** UI (React Flow)-Designed an interactive mindmap interface using React Flow with dynamic node rendering, user interactions, and a clean, responsive UI.

INTERNSHIP EXPERIENCE

Elevance Skills Technologies – Software Development Intern | Jan 2026 – Mar 2026

Worked on a Next.js-based e-commerce application (DripTheory), focusing on frontend development, API integration, and performance optimization. Contributed to building scalable UI components and improving overall application usability.

Viskominx Technologies – Full Stack Developer Intern (Flutter) | Chennai, India | Jan 2026 – Present

Developed cross-platform mobile applications using Flutter with modular UI design and REST API integration for dynamic data rendering. Contributed to ML model integration and optimized UI/API performance in collaboration with backend teams for production-ready deployment.

ACADEMIC BACKGROUND

Qualification	Institute	Year	Percentage
B.Tech Information Technology	Jerusalem College of Engineering	2023-2027	8.65 (CGPA) Upto 5 th sem
HSC	Sri Sankara Matriculation Higher Secondary School	2022-2023	84.3%

PROFESSIONAL SKILLS

- Team Collaboration
- Adaptability
- Communication
- Problem solving

CODING PROFILES

- Active problem solver on LeetCode and HackerRank with consistent DSA practice.
